EXPERIENCE

ABOUT PIOLO & MAX: This craft spirits producer works from a facility in the heart of the Friuli Venezia Giulia capital city of Trieste. This historic port city occupies a thin strip of land between the Adriatic coast and Slovenia's border on the limestone-dominated Karst Plateau. Italian, Austro-Hungarian and Slovenian influences are all evident in its layout, which encompasses a medieval old city and a neoclassical Austrian quarter. The Piolo & Max range is truly small batch production – very much made to order as customer demand dictates. The small team of five crafts each product, bottles, and labels by hand.

CHARACTER: Piolinkomax, the completely original version of the traditional Pelinkovac liqueur of Balkan origin. Pelinkovac is a bitter liqueur based on wormwood. Popular in Croatia, Serbia, Montenegro, Bosnia-Herzegovina, as well as in the Iron Range of Minnesota, where many immigrants from these countries settled. It is an infusion of three different qualities of Absinthe, Santonego or Maritime Absinthe, orange peel and the hand of Piolo & Max!

ENJOY WITH: Sip Piolinkomax before or after a meal. Try enjoying it as an aperitif before your meal or as a digestif to finish a nice dinner. Can be served neat, on the rocks, and with a wedge of citrus to mellow the flavors.
